Trip Details:

The standard trip is 7 days and there is also an option of doing a 10 day trip. Places for the 10 day trip are limited to 55, and will be allocated on a first-come, first served basis.

The main club trip is the usual 7 day, Thursday – Thursday trip. For those staying 10 days, you will leave on the following Sunday rather than the Thursday. Note that the last night dinner will still be on the Wednesday night, and the scheduled, coached sessions will be mainly during the first week. For those staying on, all activities will be on a more casual basis arranged mostly amongst yourselves. Some swim lanes will still be booked, but the sessions will probably not be coached (if the coaches are staying on, they will deserve the time to themselves).

The advantage of the 10 day trip are that you get 3 extra days in Lanzarote and only need 1 extra day off work. You can also have the luxury of taking a rest day (perhaps after the 'last night' festivities!) without feeling guilty about getting in that extra long ride or run. The disadvantages are the extra cost, the fact you arrive home late on Sunday evening with the prospect of a full week of work ahead of you, and that room choice may be more limited, meaning you might have to move rooms on the Thursday.

If you have any important queries, please contact Edwina Brocklesby or John Lund at lanzarote@serpentine.org.uk. If you have less urgent questions then, to reduce the admin involved, come and find Eddie at either the Windsor Castle or the Wargrave pub on a Wednesday night.

Cancellation policy:

All cancelled bookings will automatically lose their £150 deposits, even if you find someone else to take your place. Once the remaining balance is paid, a refund (minus deposit) will only be made if a replacement is found. Bike place payments are non-refundable unless you are not granted a bike place.

If you have any important queries, contact John Lund at lanzarote@serpentine.org.uk. If you have less urgent questions, then to reduce the admin involved, come and find Eddie on a Wednesday night after the run, in either the Wargrave or the Windsor Castle,

Bikes:

Space for bikes on the planes is limited and will be assigned on a first-come, first-served basis subject to airline availability. If you wish to take your bike with you, please indicate at the time of booking (cost £85 for flight carriage and resort transfer). Bike reservations are non-refundable (unless you are not granted a bike place due to lack of availability).

There are several options to hire bikes in Lanzarote:

- By renting the day before (for one day or half day) once out at CLS, subject to availability
- By reserving a bike for the full week with CLS directly (cost €25 per day, min of 3 consecutive days or €98 per week). Please contact Hayley at Club La Santa to reserve or discuss options (hayleyr@clublasanta.co.uk or 0161 790 9890). You **must** book well in advance for this option.
- By renting a high-spec road or TT bike from Probike in La Santa village – further details on their website: <http://www.probikelanzarote.com>. You **must** book well in advance for this option.

Insurance:

This package does **not** include travel insurance. All participants are **required** to take out their own insurance for this holiday, which adequately covers all (sporting) activities that they may wish to undertake, plus equipment (if necessary). Note that many insurance policies do not automatically cover competitive events (i.e. races). **Check carefully** with your insurance company well in advance of the trip if you wish to participate in any competitive event (e.g. mini tri, open water lagoon swim race, etc.). **You are personally responsible to ensure you are adequately covered by your own personal insurance for any activity you participate in.**
