The Serpentine website menu

The [Serpentine website \(www.serpentine.org.uk\)](http://www.serpentine.org.uk) offers a huge amount of information and advice and many nifty features, such as [Race & Event Planner](#), [My Events](#) and [Results](#). To take full advantage of these, you must be a club member and logged in with your email address (or membership number) and password. If you have [forgotten your password](#), simply reset it.
